A HANDCRAFTED MEETINGS DESTINATION

Breathing new life into run-of-the-mill events can be challenging—we get it, and are here to help you transform ordinary events into memorable experiences. Successful planners know that some of the best conversation and thought-sharing opportunities happen outside of the board room. We can connect you with the region's local artisans, craftsmen and aficionados, helping you craft a meeting worth savoring.

We have been helping meeting planners, like you, find the perfect location and services for their events for years. We look forward to providing you with information about hotels, facilities, attractions, restaurants and activities.

CONVENIENCE A CENTRAL MEETING POINT

Conveniently located off Interstate-5 between Portland and Seattle, getting to the Olympia region is a breeze for attendees.

TRANSPORTATION IT'S EASY TO GET AROUND

Movers and shakers will enjoy the journey as much as they'll delight in the destination. Located less than an hour from the airport, plenty of transportation options like shuttles, taxis, trains and rideshare get your attendees where they need to go.

CONFERENCE SERVICES SET YOUR MIND AT EASE

Save time and money. Take advantage of the services offered by the team at Experience Olympia & Beyond and let us do the heavy lifting. We'll help you handcraft a one-of-a-kind meeting or event, so you can kick off your shoes and relax.

To make the planning process simple and easy, we provide the following services:

- Assist in the site selection process
- Check hotel prices and availability
- Schedule site visits, including venues and hotel tours
- Serve as a liaison between you and area hotels, event venues and suppliers
